COMPUTER SCIENCE CAMP: CSU Fullerton
Orange County, CA

Come learn the hottest tech and develop skills that will help prepare you for your future. Why just play mobile games when you can design your very own or how can you design an amazing website from scratch? This camp will introduce you to various programming languages such as Unity, Python, Xcode, Swift and more. And of course there's always Minecraft!

* Students enrolled in this program frequently fly as Unaccompanied Minors. Please inform us if this service has been purchased through the airline.
