Located in Cambridge, Harvard University is the oldest and most revered institution of higher education in the United States and the perfect environment to inspire young people to excel academically. Our innovative STEM Camp (focusing on lessons in Science, Technology, Engineering and Mathematics) gives students the invaluable opportunity to engage with these vibrant fields at this exceptional location. Students will enjoy university dormitory accommodation in downtown Boston and benefit from an environment rich with historical and educational landmarks. Our camp is rounded off with stimulating visits to MIT, the Museum of Science, the New England Aquarium and more.
